)

DEFAULT ORDER

THIS MATTER having come before the State of New Mexico Board of Acupuncture & oriental medicine("Board") and with a quorum present and a majority voting in the affirmative the Board finds as follows:

1. A Notice of Contemplated Action ("NCA") was served upon Respondent on December 30, 2011 in accordance with the Uniform Licensing Act, NMSA 1978, §§ 61-1-1 to -33;
2. The NCA was received by Respondent on January 3, 2012 as indicated by the date of delivery on the U.S. Postal Service Certified Mail Receipt;
3. Respondent failed to request a hearing within twenty days of receipt of the NCA pursuant to Section 61-1-4 of the ULA;
4. Pursuant to the provisions of the ULA, if Respondent does not request a hearing, the Board may proceed to take action by default;
5. It is therefore ordered and adjudged that Respondent did fail to respond to a properly served NCA in case no. AOM 10-07 and is therefore found to be in default.
6. Respondent Moore is ordered to pay a \$1,000.00 penalty for practicing without a license to be paid to the Board within sixty days of this Default Order.

IT IS SO ORDERED.
