**CONSENT ORDER**

This Settlement Agreement is entered into by and between the Board of Osteopathic Medical Examiners ("Board"), and George Williams, D.O., Licensee ("Licensee"). In an effort to resolve this matter, the parties agree as follows:

1. The Board has jurisdiction over this matter pursuant to the Osteopathic Medicine and Surgery Act NMSA 1978 §61-10-1 (1933).
2. A Notice of Contemplated Action (NCA) was commenced by the Board, which stated that on or about December 19, 1997 Licensee's Michigan license was revoked retroactive to August 22, 1997, due to violations of Michigan Law.
3. The Licensee was licensed at the time of the incidences cited in the NCA pursuant to the aforementioned act.
4. Licensee acknowledges responsibility for his conduct alleged in the NCA.
5. Licensee is a licensed Doctor of Osteopathic Medicine in the State of Michigan, New Mexico and other states.
6. Licensee is the subject of a Consent Order and Stipulation dated December 19, 1997, wherein the State of Michigan Board of Osteopathic Medicine and Surgery revoked Licensee's privilege to practice osteopathic medicine and surgery for a period of three years commencing August 22, 1997.
7. Under the terms and conditions of the revocation, Licensee may petition for reinstatement of privileges after the three-year period has elapsed.
8. Under the Osteopathic Medicine and Surgery Act, NMSA 1978 §61-10-1 (1933), Licensee voluntarily notified the Board of the disciplinary action entered against his license as a Doctor of Osteopathic Medicine in Michigan. (*See* Michigan decree attached and incorporated by reference as Exhibit "A" as though fully set forth herein; *see also*, application form attached and incorporated by reference as Exhibit "B" as though fully set forth herein).

9. This matter having come before the New Mexico Board of Osteopathic Medical Examiners pursuant to Licensee's self-reporting on April 22, 1998, and based on the Consent Order and Stipulation from Michigan, the Board finds that Dr. Williams is in violation of the New Mexico Osteopathic Medicine and Surgery Act, NMSA 1978 §61-10-15 (G) (1933). After consultation with the President of the Board the parties have agreed that in lieu of a one-year suspension to practice medicine and surgery from the date of the order that the following conditions shall apply:

a. Licensee accepts, and the Board hereby imposes a period of probation under the supervision of the Board and/or its duly appointed representative/inspector for a period of two years. The time commences on the 17<sup>th</sup> day of May, 2000, and concludes on the 17<sup>th</sup> day of May, 2003.

b. During the two-year probationary period, Licensee agrees to freely avail himself to random and unannounced inspections at his place of business. The Licensee will provide the Board with any and all names and addresses of places of employment during this probation period. In the event Dr. Williams is providing contract work for another physician, inspections shall be limited to only the work done by Dr. Williams. The Licensee also acknowledges that he shall not commit further incidences or violations of any kind.

c. The Licensee acknowledges that any violation of any statute, rule or regulation governing the conduct of his profession, or failure to notify the Board of change of employer, will result in the automatic suspension or revocation of the license, pending an administrative hearing for the new violation.

d. The Licensee stipulates and agrees that the Board has jurisdiction over him and the subject matter of the disciplinary action pending before the Board under the title In the Matter of George W. Williams, D.O., License #A-925-90.

e. Licensee acknowledges that the Board has grounds for disciplinary action against him and grounds for suspending or revoking his license to practice in the State of New Mexico.

f. Licensee acknowledges that by entering into this Agreement he is waiving his right to a hearing on the merits regarding the allegations contained in the Notice of Contemplated Action. Licensee expressly, voluntarily and knowingly waives this right. A continuation of the July 25, 2000 hearing will be granted.

g. Licensee further agrees to waive any time limitations under the Uniform Licensing Act NMSA §§ 61-1-1 through 61-1-33 (1933) and agrees that the Board shall maintain continuing jurisdiction of this matter until such time as all conditions of this Agreement are complied with in their entirety.

h. Licensee understands that this Stipulation is subject to the approval of the Board. Should the Board elect to reject the stipulation in order to hear the merits of the pending action all time limitations shall hereby be waived.

i. Licensee expressly, knowingly, and intelligently, through the advice of competent counsel waives the right to object to a hearing should the Agreement presented to the Board be rejected.

10. The Board has taken into consideration the negotiations between counsel for Licensee, Mr. Barry Williams, Esq., and Assistant Attorney General Rodney L. Gabaldon. During the course of negotiations it has been revealed there are specific mitigating circumstances germane to the Agreement, which form the basis for the reduction of penalty. Dr. Williams through counsel has shown and will have an opportunity to present these circumstances to the Board to wit:

a. Has maintained his Continuing Medical Educational (CME) requirements during the three-year suspension.

b. Has earned <sup>an osteopathic medical degree (DO)</sup> ~~a medical degree (MD)~~ from an accredited institution.

c. Has performed numerous hours of community service.

d. Has imposed upon himself the duty of receiving a psychological evaluation and ongoing counseling.

11. The Board shall impose a two-year period of probation on Licensee. If while the terms of the Agreement are pending the Board receives an allegation that Licensee has violated Board rules and regulations, statutes or conditions of probation, then Licensee agrees to a expedited proceeding for the revocation of the license to wit:

a. Within five business days of a receipt of a copy of a new complaint, Licensee may submit a written response including any supporting documentation he may deem relevant to addressing the allegations in the complaint.

b. After receipt of the response from Licensee the Board or its designee shall review all available information germane to the allegations. Following the review if the Board or its designee, by the standard of proof enumerated in the Uniform Licensing Act, determines sufficient evidence exists to believe Licensee has engaged in any violations of either Board statutes, rules or regulations the Board may either revoke or suspend said License pending the outcome of proceedings consistent with NMSA § 61-1-1 (1953).

12. Licensee, in entering into this agreement, hereby agrees to pay an administrative penalty in the amount of \$750. This penalty shall be paid within five working days of issuance of this Settlement Agreement and Order. The Board must receive the penalty no later than 5:00 p.m., the \_\_\_\_ day of \_\_\_\_\_, 2000. Failure to pay this fine within the specified time frame will void this Agreement. Licensee will sent the penalty to:

New Mexico Board Osteopathic Medical Examiners  
Attn: Liz Montoya, Board Administrator  
2055 S. Pacheco Street, Suite 400  
P.O. Box 25101, Santa Fe, NM 87504

13. This Agreement resolves any and all licensing discipline brought forth in the New Mexico NCA issued on April 18, 2000, including reporting of disciplinary action contemplated, pending or taken by other states solely arising for and related only to the violations established by the Consent Order and Stipulation dated December 19, 1997, between Licensee and the State of Michigan Board of Osteopathic Medicine and Surgery.

WHEREAS, IT IS HEREBY ORDERED that the Licensee will pay an administrative fine in the amount of \$750, and be placed on probation for a period of two years from the date of entry of this Order, in accordance with the above mutually agreed upon terms.

IT IS FURTHER ORDERED that upon compliance with all the provisions of this Settlement Agreement and Order, and payment of the administrative penalty, this matter shall be DISMISSED.

Effective this 15<sup>th</sup> of May, 2000.

DISCIPLINARY SUBCOMMITTEE

In the Matter of

GEORGE W. WILLIAMS, D.O. /

Files 51-97-0259-00, DN 97-0481

CONSENT ORDER AND STIPULATION

An administrative complaint and first amended complaint were filed with the Disciplinary Subcommittee of the Board of Osteopathic Medicine & Surgery on August 20, 1997 and September 23, 1997, respectively, charging George W. Williams, D.O. (Respondent) with having violated sections 16221(a), 16621(b)(i) and (vi), 16221(c)(iv), 16221(e)(iii), and 16221(g) of the Public Health Code, 1978 PA 368, as amended; MCL 333.1101 et seq.; MSA 14.15(1101) et seq.

Based on the administrative complaint and after consultation with the Chairperson of the Board of Osteopathic Medicine & Surgery, the Department summarily suspended Respondent's license to practice osteopathic medicine & surgery by order dated August 22, 1997.

A hearing contesting the Department's order of summary suspension was conducted on September 23, 1997, following which the administrative hearing officer entered an order continuing the order of summary suspension.

By stipulation contained in this document, Respondent does not contest the allegations of fact and law in the complaints. Respondent understands that by

pleading no contest Respondent does not admit the truth of the allegations but agrees that the Disciplinary Subcommittee may treat the allegations as true for resolution of the complaints. Respondent agrees that the Disciplinary Subcommittee may enter an order treating the allegations as true.

The Disciplinary Subcommittee has reviewed this stipulation and agrees that the public interest is best served by resolution of the outstanding complaints.

Therefore, the Disciplinary Subcommittee finds that the allegations of fact contained in the complaints are true and constitute violations of sections 16221(a), 16621(b)(i) and (vi), 16221(c)(iv), 16221(e)(iii), and 16221(g) of the Public Health Code as set forth in the complaints.

Accordingly,

IT IS ORDERED that for each of the violations of the Public Health Code Respondent's license to practice osteopathic medicine and surgery is REVOKED. The revocations shall run concurrently.

IT IS FURTHER ORDERED Respondent shall receive credit for that time during which the license was summarily suspended.

IT IS FURTHER ORDERED that in the event Respondent petitions for reinstatement of the license, the petition shall be in accordance with 1996 MR 7, R 338.1635. Further, Respondent must demonstrate by clear and convincing evidence that Respondent is of good moral character, is able to practice the

profession with reasonable skill and safety, and that it is in the public interest for Respondent to resume practice.

IT IS FURTHER ORDERED that a petition for reinstatement may not be filed until three years after the date that the summary suspension took effect.

IT IS FURTHER ORDERED that this order shall be effective on the date signed by the Disciplinary Subcommittee or authorized representative, as set forth below.

Signed 19<sup>th</sup> day of December, 1997.

STIPULATION

The parties stipulate and agree as follows:

1. Respondent does not contest the allegations set forth in the complaint, and agrees that the Disciplinary Subcommittee may treat the allegations of fact and law as true, which finding shall have the same force and effect for purposes of this consent order as if evidence and argument were presented in support of the allegations. Further, Respondent understands and intends that by so stating

Respondent is not admitting the truth of the allegations, but is agreeing that the Disciplinary Subcommittee may enter its order treating the allegations as true for purposes of resolution of the Complaint.

2. Respondent was unaware of the requirements regarding maintenance of prescription medication and record keeping regarding prescription medication. Following an investigation on April 2, 1997, Respondent instituted procedures to attempt to bring his office into compliance with the Public Health Code and related rules.

3. Respondent understands and intends that by signing this stipulation, Respondent is waiving the right pursuant to the Public Health Code, the rules promulgated thereunder, and the Administrative Procedures Act of 1969, 1969 PA 306, as amended; MCL 24.201 et seq; MSA 3.560(101) et seq, to require the People to prove the charges set forth in the complaint by presentation of evidence and legal authority, and to appear with an attorney and such witnesses as Respondent may desire to present a defense to the charges before the Disciplinary Subcommittee or its authorized representative.

4. The Board's conferee in this matter, Susan Rose, D.O., may participate freely in any deliberations of the Disciplinary Subcommittee regarding acceptance of this proposed consent order and stipulation, and may relate to the Disciplinary Subcommittee any knowledge and views of the case acquired by the conferee.

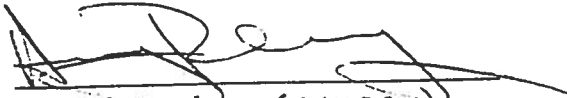

5. The foregoing consent order is approved by the respective parties and may be entered as the final order of the Disciplinary Subcommittee in this cause.

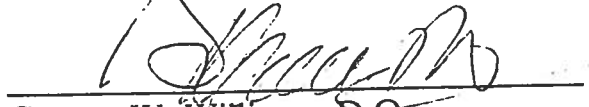

6. The foregoing proposal is conditioned upon its acceptance by the Disciplinary Subcommittee, the parties expressly reserving the right to further proceedings without prejudice should the consent order be rejected.

RESPONSES TO QUESTIONS:

2. IN MICHIGAN I HAVE A 3 YEAR SUSPENSION BY THE STATE OF MICHIGAN FOR HAVING AN AFFAIR WITH A PATIENT. I AGREED TO A NO CONTEST TO THE MATTER AND TO THE TERM OF THE SUSPENSION.

3. I HAD A PATIENT IN 1987 WHO HAD A RUPTURED ABDOMINAL ANEURYSM AND SUBSEQUENTLY DIED, NOT DUE TO THE ANEURYSM, BUT DUE TO INAPPROPRIATE PLACEMENT OF A SUTURE IN THE SMALL BOWEL BY THE SURGEON. THE WOUND BECAME INFECTED, AND THE PATIENT SUBSEQUENTLY DIED. THE FAMILY SUED THE SURGEON, THE HOSPITAL, THE RADIOLOGIST, THE E.R. DOCTOR AND MYSELF. THE LAWSUIT WAS FILED IN OTSEGO COUNTY IN GAYLORD, MICHIGAN AND WAS SETTLED OUT OF COURT. THE PATIENT'S NAME WAS RICHARD PAWLEY.

A PATIENT OF MINE BY THE NAME OF PATTI KELLY/KLUG ALLEGED THAT I HAD MADE HER INTO A DRUG ADDICT WHICH WAS TOTALLY FALSE. IN REALITY, SHE WAS GOING TO MANY DIFFERENT HEALTH PROFESSIONALS GETTING MEDICATIONS WITHOUT INFORMING ANY OF THESE DOCTORS AND DENTISTS THAT SHE WAS SEEING ALL OF THE OTHERS. I LEARNED OF HER BEHAVIOR FROM A CHECK WITH HER PHARMACEUTICAL RECORDS FROM LOCAL DRUG STORES. I REFERRED HER TO DRUG REHABILITATION. SHE CONTINUED HER DRUG HABIT LONG AFTER I RELEASED HER FROM MY PRACTICE. DISCOVERY FROM THE LAWSUIT REVEALED THAT SHE ALSO HAD A PROBLEM WITH DRUGS LONG BEFORE SHE CAME INTO MY PRACTICE. THE LAWSUIT WAS FILED IN OTSEGO COUNTY IN GAYLORD, MICH. AND WAS PROMPTLY RESOLVED AS A NUISANCE CLAIM BY THE INSURANCE COMPANY.
