Dear Licensee,

The New Mexico Speech-Language Pathology, Audiology and Hearing Aid Practices board is seeking licensed Hearing Aid Dispensers for assistance as proctors for the quarterly practical exam.

Practical exams are held quarterly at RLD and are scheduled at least 6 months in advance so your participation can be planned easily. We expect to have a large enough pool of proctors in the future so that each proctor may be required only once or twice per year for a few hours.

A workshop will be held on April 14th at the RLD offices for those who are interested. It is required for those who wish to proctor exams. The workshop will begin at 1:00 pm and last approximately two hours.

If you are interested in becoming a proctor please contact me with your intent and include your name, phone number and email.

Sincerely,

Nicole Perez
