PUBLIC NOTICE

**PRIVATE INVESTIGATIONS ADVISORY BOARD
 TEMPORARY SUSPENSION OF SUBMISSION OF
 FIREARM REQUALIFICATION DOCUMENTATION
 DURING THE COVID-19 PUBLIC HEALTH EMERGENCY**

Due to the public health emergency declared by Governor Michelle Lujan Grisham in Executive Order 2020-004, and to the potential lack of access to firearm training facilities, the Private Investigations Advisory Board (Board) will implement the following procedures through the Regulation and Licensing Department, Boards and Commissions staff:

1. All requests for suspension of submission of firearm requalification shall be made in writing to the Board at the following email address: pipolygraphbd@state.nm.us
2. All requests will be reviewed and approved by the Board Chair. The renewal applicant will receive written approval or denial from the Board Chair. Denials will not be subject to review by any other entity.
3. After the renewal applicant's written request is approved in writing, if all other license renewal requirements are met, the license will be renewed without the submission of the required firearm documentation.
4. When the public health emergency is lifted, Boards and Commissions staff will send out a notice to licensees stating that the licensee has three (3) months from the date the emergency is lifted, to submit their completion of firearms requalification documentation to the Board or be subject to disciplinary action.
